God's Pattern for Revival and Spiritual Awakening

- 1 God is on mission to redeem a lost world. God calls His people into a relationship with Himself, and He accomplishes His work through them.
- 2 God's people tend to depart from Him, turning to substitutes for His presence, purposes, and ways.
- 3 God disciplines His people out of His love for them.
- 4 God's people cry out to Him for help.
- 5 God calls His people to repent and return to Him or perish.
- 6 God revives His repentant people by restoring them to a right relationship with Himself.
- 7 God exalts His Son Jesus in His people and draws the lost to saving faith in Him.
